Please Note: While every effort is made to maintain quality, the nature of plastic cups is such that they may exhibit scratches from packaging or shipping. This is normal and NOT a defect. If your artwork is too large or too small, and your purchase order does not state an exact artwork size for print, the artwork will be sized for best appearance within the standard imprint area identified below. Copy imprinted near the bottom of the cups may appear to be smeared or to shadow slightly as well. Small details may fill in or be lost completely.

The ship date will be 5 business days after signed proof approval for up to 5,000 pieces. Any delay in approving the artwork may affect your in hands date.
